For liver troubles and constipation there's nothing better in creation than Little Early Risers, the famous little pills. They always effect a cure and save doctor bills. Little Early Risers are different from all other pills. TROUBLE ENDED!

Bracken Quarantined Against Maysville Without Good Cause.

Dr. H. K. Adamson, acting on behalf of the State Board of Health, went to Augusta Thursday afternoon with a pocketful of authority from Dr. J. N. McCormack, Secretary of the State Board, to ascertain, if possible, upon what grounds Augusta and Bracken county had quarantined against Maysville.

He had some difficulty in gaining entrance to the pretty little city, but finally "got there" all right, accompanied by another citizen from Maysville.

He telephoned Dr. C. H. Wallin, the Health Officer of Bracken county, who was at Brooksville, requesting him to come at once to Augusta; but the latter was so engaged that he could not make the trip just then, but promised to come to Maysville yesterday, which he did.

Upon arrival here Dr. Wallin was taken in charge by Dr. Adamson, and was shown each and every one of the smallpox cases in the city, after which he expressed his great surprise and gratification at the favorable condition of affairs, and his regret that such unwarranted and exaggerated reports had gone abroad.

Dr. Wallin, before leaving the city, wrote a letter to Dr. McCormack, giving the real facts as he had ascertained them from his personal visit and inspection.

THE LEDGER wishes to emphasize the statement that the authorities, as well as the physicians of Maysville, have at all times desired the physicians and authorities of neighboring towns to come here in person and learn for themselves the exact condition of affairs, instead of acting upon the myriad rumors with which the air has been filled.

It must be admitted that the situation has been bad enough, without being magnified tenfold.

It is stated on good authority that the "quarantine" in Augusta was based upon a mere statement in a private letter to one of her citizens, in spite of the fact that Mayor Stallcup had made an "official" report of existing conditions to the proper authorities there.

At this writing—9 o'clock Saturday morning, April 18th, 1903,—there are just four cases in the entire city of Maysville, all convalescent, and not a single new case has developed within the past week.

Due Notice is Served.

Due notice is hereby served on the public generally that DeWitt's Witch Hazel Salve is the only salve on the market that is made from the pure, unadulterated witch hazel. DeWitt's Witch Hazel Salve has cured thousands of cases of piles that would not yield to any other treatment, and this fact has brought out worthless counterfeits. Those persons who get the genuine DeWitt's Witch Hazel Salve are never disappointed, because it cures. J. Jas. Wood & Son.

## THAT'S THE LEDGER.

The Rev. T. DeWitt Talmage says—  
"A newspaper whose columns overflow with the advertisements of business men has more influence in attracting attention to and building up a city or town than any other agency that can be employed. People go where there is business. Capital and labor will locate where there is an enterprising community. No power on earth is so strong to build up a town as newspapers well patronized, and this power should be appreciated."

How to Ward Off an Attack of Rheumatism.

"For years when springtime came on and I went into gardening, I was sure to have an attack of rheumatism and every attack was more severe than the preceding one," says Josie McDonald, of Man, Logan county, W. Va. "I tried everything with no relief whatever, until I procured a bottle of Chamberlain's Pain Balm, and the first application gave me ease, and before the first bottle was used I felt like a new person. Now I feel that I am cured, but I always keep a bottle of Chamberlain's Pain Balm in the house, and when I feel any symptoms of a return I soon drive it away with one or two applications of this liniment." For sale by J. Jas. Wood & Son, Druggists.

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages and that is catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case that it fails to cure. Send for list of testimonials. Address: F. J. CHENEY & CO., Toledo, O., sold by Druggists, 75c. Hall's Family Pills are the best.

## It is Surprising the Amount of Business We Did the Past Six Weeks

Considering the embargo put on Maysville's business during that time. Our sales, however, compared with last year's corresponding time, show such a decrease that it will require heroic treatment to restore our 1903 spring business to its normal volume. It is not now a question of ordinary legitimate profit; it is simply a question of doing four months business in two months. Convince yourself by looking in our East window and see the

## THE BEE HIVE! A SATISFACTORY SHOE STORE

It isn't easy to make the plain facts of our shoe business stand out without seeming to "knock" at other shoe businesses. Yet, why should we? Maysville was shoe happy even before this store started. We had to do better things, else no shoe business could have been won. WE DID—and today for COMFORT, WEAR and STYLE we have the most satisfactory shoe store in Maysville.

We guarantee every pair and take much pleasure in fitting you, and you know "It is a feat to fit feet."
